OUTSTANDING TRUSTEE

Ruling Forces Miller To Quit Hi School Post

Jefferson High School District this week lost the official services of one of its ablest school board members in local history with the announced resignation of Donald Miller, 40-year-old Vallejo resident and Pacifica city councilman.

Miller, whose three-year trustee term ends this June 30, said he regretfully was leaving the board due to a "conflict of interest" interpretation made by the district attorney's office.

Actually, this legal interpretation involves a principle and was not made on Miller directly. It evolved from a question asked the district attorney regarding the status of San Mateo Junior College trustee Robert Garvey. Garvey recently was appointed to the San Mateo city council. South Peninsula sources subsequently

posed the question: is there a conflict of interest if a man serves at the same time as a city councilman and school trustee?

Miller learned late last week that the district attorney's interpretation was positive and that a "conflict of interest" exists through legal interpretation. Thus this "precedent" opinion by the DA applies not only to Garvey, but to all San Mateo county individuals who serve on both a municipal and school board at the same time.

Miller's intense interest in the future of Pacifica, whose incorporation drive he championed from the start, logically dictated his decision to resign from school trustee duties. He has been a Coastside resident the past 10 years, residing in Vallejo with his wife and two sons, Clinton, 14, and Donald, 11.

Though his official duty as trustee ended this Tuesday, by his own request, the insurance man will continue to serve the school district through this June in an advisory capacity as trustee. He will have no vote. His vacancy will be decided in the regular trustee election on May 19.

Only one high school board vacancy will be open at the polls this May. Because of the closeness of Miller's resignation to the date his regular term expires, trustees felt it best to operate without an im-

Planners OK Piccinini Parcel Zoning

The city planning commission by unanimous vote last week approved C-2 (commercial) zoning for the strip of land north of Westlake avenue and south of Marchbanks Park.

The strip is owned by Dominic Piccinini, cement contractor, who plans to build a storage warehouse there. Piccinini sold the northern hunk of his land to the city — a move prompted

NORRY MURDERER STILL IN HIDING

County and city authorities have run into several dead-ends in their hunt for August Norry's slayer, but their long-hour investigation should soon lead to apprehension of the murderer.

Sheriff Earl B. Whitmore said identity of the mystery blonde seen driving the garden-er's car the day he was slain (February 1) was still unknown. But apparently this suspect lives in this area—judging from her familiarity with the Crocker Hills area and the Peoria street lovers' lane where she abandoned Norry's auto.

Whitmore and Daly City police have repeatedly questioned Norry's relatives and close friends for possible leads.

Capt. Roy Beecher, heading DC's part in the case, reminded today that all persons who may have seen Norry shortly before

52 Donate Blood To Michael

At press time today, 52 persons had donated blood to help Michael Jimenez, 9-year-old Daly City boy who's battling leukemia at UC Hospital.

The donors included 30 Marines from Hunter's Point, 20 workers of Crocker-Anglo Bank and two Jefferson Elementary School District classified employees — maintenance man Louis Kelley and custodian Charles Eekhorn.

Kelley, one of the first donors to the cause three weeks ago, said blood bank officials had enough pints to last Michael a few weeks. Others who would like to give in the boy's behalf at Irwin Memorial Blood Bank, 270 Masonic avenue, SF, JO 7-6400, should make arrangements as soon as possible.

Michael's dad, who lives at 1056 Brunswick street, says he is "forever grateful" for the public response. He can be contacted at JU 5-0155 or PL 5-0604.

STORM CAUSES POWER FAILURE, FIRE DAMAGES

Fierce winds and heavy rain early Monday morning caused several mishaps here, topped by a fire on School street and a power failure in the Palisades area.

A break in a PG&E feeder line Monday at 3:06 a.m. caused electrical failures in the Palisades that lasted until emergency crews finished their repairs about 6 a.m. The water department reported that the power failure made booster pumps inoperative, cutting off the water supply in the general area south of Carmel avenue for about three hours.

At about 4:28 a.m. Monday, a 6000-volt wire was torn loose by the wind and set off a fire at the Silver Moon tavern, 212 School street, and the apartment above the bar.

Screeners Review 20 For Weibel's Position

A committee of seven professional educators has begun screening applications of some 20 candidates for the job of superintendent of Jefferson Elementary School District.

The names of the district's two assistant superintendents, Dr. David Shapiro, business affairs, and Dr. Vinton Stratton, director of instruction, are among the candidates. Neither filed an application for the job. Both were recommended

by the board of trustees. The post will be open on July 1 this year when H. Z. Weibel, superintendent of JESD since 1951, steps down to the job of consultant on new schools and eventually principal of one of the new plants due to open early in 1960.

The screeners met with the school board February 5 to establish procedures each body would follow in determining the new district chief.

LOWER RATES DUE?

City Wins Request To Adjust Report

The National Board of Fire Underwriters has heeded heavy protests of Daly City officials and late last week said it would make a re-survey here, beginning next Tuesday, February 24.

In a letter to City Manager George Watts, R. C. Stange, assistant general manager of the underwriters, said the new

survey would result in a supplemental report and grading "to recognize changes and improvements that have been made in Daly City since our last survey, made during December of 1957 and January 1958."

Conceding that the DC council was justified in protesting new fire insurance rates (based on the underwriters' survey), Stange admitted that the first report (released last month) "was dated December of 1958, but does not reflect certain fire protection im-

CHARTER STUDY COMMITTEE GETS ROLLING

Mrs. Grace Woods, former city library commissioner, was named chairman of the citizens' charter government study committee Monday night as the newly formed group set forth its objectives.

Two more appointments to complete the 10-member panel should be made at next Monday's council meeting. Each councilman nominates two citizens to the group.

Ed Molkenbuhl, 296 Wilshire avenue, was named committee vice chairman and seven committee members rolled up their sleeves after city officials explained the purpose of their study.

The committee will first examine Daly City's present governmental procedures as a sixth class city, then investigate the charter form of government from every angle, bringing in professional experts on municipal affairs. From this comparative data the committee will recommend whether or not Daly City would benefit by charter system—now or when the city is much more populous.

Meeting with the committee Monday night were City Manager George Watts, Mayor Michael DeBernardi, and Councilmen Francis Pacelli and Joseph Verducci. Watts suggested that Gordon Forrest, field representative for the League of

COUNCIL MEETS TONIGHT ON ZITA PROBLEM

The city council will hold a special meeting this Thursday night at 8 to discuss whether or not an extension will be granted Zita Corporation on its time limit for filing a final map on some 42 lots in St. Francis Heights subdivision.

The strip in question is located on Eastmoor avenue and west of the M. Pauline Brown school site. Zita has been unable to firm the map due to delayed realignment of Eastmoor. Callan Company also is involved in realigning a portion of the street in the same area.

Following the special meeting, the council will conduct its study session, previewing next Monday night's regular meeting.

EPISODE IN COLMA

Being A Policeman Isn't Always Easy

Don't ever say policemen don't earn their pay. Officer Dick Phillips of Daly City and Broadmoor Officers George Carleton and Ron Sinclair got a workout Sunday night in arresting James R. Martin, 39, a truck driver who lives in Colma.

Seems Martin took a powder about 4 p.m. after his car hit another vehicle in a minor crash at Mission and Hillside. He left his female friend in the car and she told police where he lived — 645 Lisbon street.

Phillips went to the home with the two Broadmoor police and the fuss began.

improvements that occurred since our engineers left Daly City."

The underwriters last week even went further, saying they would consider DC's request for still another survey this November, when the new Westlake fire station, more fire department apparatus and additional firemen have been added to the city's credit.

"We shall be glad to give this consideration," said Stange in his letter to Watts. "In making a decision on this," he went on, "we would want to review with you the changes and improvements made between now and then and, based on that information, we can decide if these changes justify another survey at that time."

Authorization of the new survey next week represents a victory for the council, Watts and the Chamber of Commerce who protested the new fire insurance rates here immediately after the underwriters' report was made public. The survey resulted in a jump in fire insurance rates here of roughly \$60,000, boosting Daly City from its former Class Four fire insurance rating to Class Seven.

Watts, the council and chamber charged the report didn't give DC credit for planned fire department improvements and contained errors in other categories which brought many deficiency points against the city.

City officials, had the underwriters failed to okay a re-survey, were prepared to protest the report before the state insurance commission and to national underwriters headquarters in New York City.

Planners Air Land Use Plan Next Wednesday

The city planning commission will meet next Wednesday night to hold first public hearing on the new land use master plan, which will eventually set up zoning restrictions throughout Daly City by ordinance.

After this deliberation, the matter goes to the city council for two public hearings.

Next Wednesday's planning session begins at 8 p.m. in the council chamber, 75 Wellington avenue.

Daly City Man Observes 100th Birthday Saturday

Frank B. Gustavson, believed to be Daly City's oldest living resident, will mark his 100th birthday this Saturday. The old-timer moved last fall from his son's home, 123 Vista Grande avenue, to Belmont where he now resides in a rest home. He has lived in DC since 1941.

The son, Frank R. Gustavson, will visit his dad Saturday to celebrate the latter's century milestone.

23 DC High School Teachers Get Tenure

Twenty-three teachers were granted tenure status Monday night by unanimous vote of Jefferson High School District trustees.

Accorded tenure, effective this July 1, after completing three years of teaching here are:

Jefferson High — Clio P. Aslanis, foreign language; Lola L. Bermudez, business education; Robert L. Briggs, business education; Donald A. Carlson, arts and crafts; Donald F. Codr, social studies; Donald P. Kambic, social studies; Bernice Koyama, business education; Steven A. Mezzera, physical

education; Marie L. Moore, homemaking; Loyd A. Silberstein, mathematics; and Harold Vaplon, social studies.

Westmoor High — William L. Ardis, English; Frank B. Barrows, industrial arts; Barbara J. Bosio, physical education; Alberta Carlen, homemaking; George A. Chrestonson, industrial arts; Richard B. Coltrill, social studies; Albert L. Doyle, English; Ruth E. Finerty, English; Cecelia F. Hinz, foreign language; Anne Lynde, librarian; Douglas H. McVeigh, mathematics; and Wilfred T. Stensland, industrial arts.

mediate replacement. The victorious candidate for the high school board on May 19 will serve a three-year term, beginning July 1.

Miller, a loan officer for Morris Plan, with offices in San Francisco, served as trustee on the Laguna Salada Elementary School District board prior to his election to the Pacifica council.

Fellow board members Monday night expressed sincere regrets on Miller's decision. Trustee Lyle Ingersoll, in particular, said he did not agree with the district attorney's interpretation of "conflict of interest."

Supt. Ed Morgan and the board will officially accept Miller's resignation at their regular meeting next Monday night, 7:30 p.m., at 375 South Mayfair.

Loss of Miller leaves only one Coastside on the board, Raymond Whitney, Pedro Valley postmaster. Chairman Elio Fontana is from Colma, and veteran trustees Mrs. Ann Eason and Ingersoll are longtime DC residents.

by public protest. This city-purchased portion will be ultimately paved for a parking lot to give park users adequate facilities and ample access to Marchbanks.

The planners' decision last week still didn't sit too well with scores of residents who live around the park. They charge that Piccinini's commercial warehouse will lower their property values and ruin the residential aspect of the neighborhood, and create hazards to pedestrians if truck traffic to the warehouse is heavy.

In other action last week, the commission:

1. Okayed application for use permit filed by Pram's Laundry Company, San Mateo, for coin-operated laundrette at 2386 Junipero Serra.

2. Okayed application for variance filed by Joseph Sarto, 130 Vale street, to vary the front yard setback from 15 to 5 feet on Vale between Station and Werner streets.

3. Okayed Henry Doelger's request for rezoning property south of Westmore avenue, east of Skyline, north of Lincoln, and west of Edgemont drive, from unclassified and C-1 to R-2 and C-1, and approved petition of Doelger to rezone property west of Lake Meade Golf Course and north of Ben Franklin School from C-1 to R-3.

4. Okayed petition of Zita Corporation for rezoning property between St. Francis boulevard and El Dorado drive west and east, and between San Pedro road and Casa avenue north and south, from unclassified to R-1-B.

5. Held over for more study petition for rezoning property east of Mission street, west of Hillside, north of Bismark, and across the street south of Citrus, from R-3 to C-1.

6. Held over petition filed by Thomas J. Callan for rezoning 14 lots on Wyandotte and Lausanne street above Gambetta from R-1 to R-3.

At a meeting of the Library Commission last week, figures were discussed by Chandler and Architect Francis J. McCarthy, on dimensions of the rooms, number of books needed, and the space to be provided for them.

According to Chandler, the new library will cover 7500 square feet, but future changes may demand more.

He also stated that of the \$173,000 needed, \$70,000 of it is already appropriated, but at this date it is still undecided how much support will come from the county.

Also brought up at the meeting were ways to return books belonging to the state, and final procedures to follow in withdrawing from the county library system.

Statistics for the month of January quoted the number of books circulated, and the number of borrowers who used them.

Members of the committee include Don Lesher, Joseph Schultz, Pete Marokovich, John Dye, Walter Gillies, and Donald Gordon.

Councilman Bob St. Clair has one more committee appointment to make, as has Pacelli.

City Attorney Paul Hupf briefed the lay committee on the basic differences between the charter system and the city's present sixth class government which comes under state governmental codes. Hupf explained that essentially charter government gives cities more local control and less interference by the state.

The citizens group decided to set up a twice-monthly regular meeting schedule, with sessions the second and fourth Tuesday evenings of each month. These will be held in the city council chambers, 75 Wellington avenue, starting at 8 p.m.

Screeners Mull 20 For JESD Superintendent

(Continued from Page 1)

for the post. Trustees then will personally interview these three or six, or go back to the screeners for consideration of others in the list of 20.

Tormey said it was fully understood that the screening unit was "advisory only" in its role here and that the final decision was entirely that of the board of trustees.

At the February 5 board-screening committee session, both agreed on the following prerequisites for the new superintendent:

He must have a broad professional education background, with proper credentials plus a master's degree or its equivalent, and successful teaching experience as well as successful experience as either a superintendent or assistant superintendent of an elementary or unified school district.

Age specifications were set at 35 to 45 (though there could be a waiver), and he will be awarded a four-year contract at a per annum salary of \$14,000 and up, depending on his experience.

Tormey said the practice of school districts using professional screening groups in selecting new superintendents was becoming more and more frequent, hinting that this method is the best and the most objective.

Weibel, who will remain with the district (his request was approved unanimously) to take over a principalship, was notified by 5-0 board edict last year that he would not be extended a new contract as superintendent after this June 20. This "firing" decision was protested loudly at first, but subsequently died down. Addition of two new trustees to the board in no way changed the edict on Weibel.

The new trustees, Tom Noonan and Frank Verducci, said they would not dispute the action of the old board. Hiring and dismissing a superintendent rests solely with the school board.

Plans for the new city library have now reached the drawing stage, according to Sam Chandler, city librarian.

At a meeting of the Library Commission last week, figures were discussed by Chandler and Architect Francis J. McCarthy, on dimensions of the rooms, number of books needed, and the space to be provided for them.

Folks Driving More Safely, CSAA Reports

(Continued from Page 1)

U. S. motorists are driving three times more safely today than 20 years ago, reports the California State Automobile Association.

Driving a car in 1958 was considerably less dangerous than in 1934 when an all-time high of 16.7 persons were killed for every 100 million miles of travel, the motorists' organization points out. Last year, the rate dropped to a new low of 5.9 deaths.

The CSAA attributes the drop to improved roads, increase in driver education, better pedestrian programs, as well as enlightened enforcement and public relations.

The reduced fatality rate had been achieved despite the fact that the U. S. motor vehicle population has nearly doubled in the past twenty years. America now has more than 65 million motor vehicles.

Since 1935, driver education has played a major role in cutting the toll of accidents on our highways, the AAA motorists' organization maintains. Nearly 4.5 million high school students have completed driver education courses, including both behind-the-wheel-instruction and classroom work.

The CSAA also complimented the work of the nation's more than 750,000 School Safety Patrols for their contribution to the improved safety record. Since 1923, when the Patrols were organized, the traffic death rate of school-age children has dropped nearly one-half.

Four-Year-Old Runs Into Street, Struck By Auto

Kenneth W. Vickers, 4, of 219 Hillcrest drive, suffered minor injuries Wednesday afternoon last week after he was struck by a car in front of 6235 Mission street near Crocker avenue.

Officer Richard DeLosa said the motorist, Othella Childs, of San Francisco, who was driving east on Mission and preparing to turn onto Crocker, was not responsible. The tot apparently dashed out into the street from behind a parked truck.

Kenneth's mother took him to Hunter's Point hospital for emergency attention.

OBITUARIES

Botchie Bertucci

Rosary was recited Monday for Botchie A. Bertucci, 54, of 225 San Pedro Road, Colma, who died at Junipero Serra Hospital last Friday.

He was a native of Colma, a member of the Colma Volunteer Fire Department, and a veteran of World War II.

He is survived by his father, Gioramo Bertucci; six sisters, Elsie Bertucci, Mrs. Katherine Bucci, Mrs. Albina Collins, Mrs. Marie Vicari, and Mrs. Vera Viola; three brothers, John, Albert, and George, and ten nieces and nephews.

Mass was said for the repose of his soul at Holy Angels Church Tuesday morning. Entombment was at Holy Cross Cemetery.

Local Lions Await District Governor

Robert Dallison, Governor of District 4C4 of the Lions Club, which covers an area along the coast from San Francisco to Kings City, will make his official visit to the Daly City-Colma Lions at their meeting next Wednesday in Val's Redwood Room, 89th and Junipero Serra, at 12:10 p.m.

Sunshine Group Meets Tuesday

The Mothers' Sewing and Sunshine Group will get together next Tuesday for a social gathering at the home of Mrs. Robert Adams, 591 Lausanne street, Daly City.

Each mother will bring her own lunch, but will be served dessert.

Notifications should be given to Mrs. Adams either this Friday or Monday at PL 5-9133.

Dental Nurse Visiting JESD Once A Week

Miss June Wagner, a dental hygienist, began her rounds of Jefferson Elementary School District with a visit last Monday to Colma K-6 School.

She checked children from the first grade, those in the fourth and seventh who have not seen a dentist in six months, and any urgent cases in other grades.

This will be her procedure at all the schools she visits once a week from now until June 8, according to Dr. Vinton Stratton, district director of instruction.

Motorcycle Youth Rams Parked Car, Girl, 3, Injured

A 3-year-old Daly City girl, Cindy Christen, suffered injuries Friday night when she was knocked down by a motorcyclist who had rammed a parked auto in his attempt to avoid hitting her.

The mishap, investigated by Officer Richard DeLosa, occurred at 5:45 p.m. in front of the girl's home, 474 Bellevue.

The cyclist, Mark W. Welker, 17, of 589 Bellevue, said he was moving west on Bellevue near Acton street when the girl ran into the street towards him from his left. He said he applied his brakes, banged into the sedan owned by Timothy Christen, and then the motorcycle fell onto the young girl.

DeLosa said no citation was issued pending further investigation.

Police Block Suicide Plan Of DC Man, 22

Combined efforts of Daly City and South San Francisco police averted an alleged suicide try here late Sunday night by a 22-year-old Daly City resident.

William Evans, 162 Irvington street, touched off the race-against-time episode by phoning DC police that his son, Richard, had just left home carrying a .38 caliber revolver and threatened to kill himself following a dispute with his girl friend.

Officer Ralph Warren promptly went to the home. A few minutes later, the despondent young man called his father, saying he was phoning from a SSF phone booth. Warren quickly notified headquarters. SSF Officer Leo Crosariol soon located the site of the call. He and Warren then met and took Richard into custody. He was transferred to Community Hospital for 72-hours observation.

New Occupational Therapy Service Provided At Burlingame Center

The addition of a new physical rehabilitative service, Occupational Therapy, at the Rehabilitation and Research Center in Burlingame was announced today by St. George Lafitte, president of the San Mateo County Society for Crippled Children and Adults.

The center, a project of the county's Easter Seal Society, now provides a complete rehabilitation program for the physically handicapped. Included in the services are physical therapy, speech and hearing therapy, and a Sheltered Workshop for the physically handicapped.

The new service is staffed by Miss Mary de Hebdon Taylor, registered occupational therapist, a qualified and experienced therapist. Miss Taylor explains that occupational therapy treatments can include: self-care

training, for example, personal hygiene, communication and household activities; assistive devices such as hand splints; prosthetic training; avocational and pre-occupational exploration; and muscle strengthening and neuro-muscular reeducation through the use of crafts activities such as ceramics, weaving and woodworking.

Referrals of patients for the new Occupational Therapy Service and the other services by the physician or community agency are welcomed. A treatment fee schedule is available on request. Request by the patient or family for modifications of fees because of financial need may be made.

Further information and referral forms may be obtained at the center, 1764 Marco Polo way, Burlingame, or by telephoning OX 7-8924.

Westlake Little Symphony Group Sounds Call For DC Musicians

Another step in the community's cultural development will be achieved with the formation of the Westlake Little Symphony Orchestra group, under the auspices of Westlake Music Center.

Orchestra membership is open now to all residents interested in music who have had some musical training. There are no age limitations. Auditions will be held at the first meeting to be called soon. Meanwhile, persons interested in joining the group should call E. E. Bruer at Westlake Music Center, PL 6-2434.

The practice sessions will begin as soon as registration of at least 20 persons is attained.

Orchestra size will be about 40 musicians. Musicians may use either their own instruments or rent instruments from the sponsoring group.

Edward Gangale, six-year veteran with San Mateo City Schools, will conduct the group. He has state credentials as a music instructor. He will select programs here of both modern and classical compositions.

Exact locale for the practice sessions has not been determined. But a spokesman for the group said he is attempting to reserve a room at War Memorial Community Center on Mission street.

FRANKLIN PTA HEARS BECKER; PUPIL SONGS

A varied and full program brought a large group of parents and teachers to Benjamin Franklin's PTA meeting on February 5.

A timely talk on "Togetherness" was delivered by Judge Charles Becker. Several vocal selections were given by Benjamin Franklin music students under the direction of music teacher Mrs. Black. Singing "The Ash Grove" and "Put On Your Old Grey Bonnet" were eighth graders Linda Caldwell, Marilyn Wagner, Leslie Merrens, Alexis Malone and Marilyn Downey. A solo of "The Green Cathedral" was sung by seventh grader Joyce Beren.

Two honorary life memberships were presented to principal Fred Schweickhardt, and Benjamin Franklin PTA President Mrs. Roy Milam.

There followed a lively discussion on the proposed "Teen Code" and a committee was picked to further pursue the matter.

The "Founders' Day" cake was then cut and refreshments and coffee rounded out the evening.

Sharp Park PTA Tells Founder's Day Program

The 26th of February is the date of the next meeting of Sharp Park PTA. Title of the program is "Yesterday, Today, and Tomorrow."

The unit will mark its annual Founder's Day, at which time the honorary life membership will be awarded. Speaker will be Master Sergeant Phil Wells, whose subject will be "Our American Children in Foreign Lands."

GIRL SCOUTS TO AMASS FOR GIANT PROGRAM

Daly City-Colma Girl Scouts at all three levels, Brownies, Intermediates, and Seniors, will participate in a huge spectacular "Scouts-In-Action" show in the Daly City War Memorial Building, on Saturday, April 25, from 1 to 4 p.m.

More than 900 Girl Scouts will take part in this third annual demonstration-exhibition program. There will also be an intermittent stage show.

An overflow crowd jammed the center last year to view the highly entertaining program.

The general public is invited to attend the admission-free affair.

Francis Hits Advanced Fees On Real Estate

State Assemblyman Louis Francis introduced a bill last week in the state legislature to prohibit real estate and business opportunity licensees from charging advance fees when they list property for sale.

"There have been numerous complaints, particularly in Southern California," said Francis, "that advance fees ranging from \$50 to \$200 have been collected at the time of listing of the property for sale. These fees are collected before any services are rendered by the real estate or business opportunity licensee. In many cases no services are rendered or no attempt is made to sell the property. This racket must be stopped for the protection of the home owner or business man selling his property."

Jeff Graduate Will Address AAUW Women

A meeting of the American Association of University Women, which will be held next Monday at 8 p.m. at Parkside School, San Bruno, will have for its speaker Wallace Honeywell of Stanford University who will talk on "Stanford University in Germany."

The university has many students in Germany, and the talk, illustrated by colored slides, will concern itself with their problems as well as their achievements.

The AAUW is open to all graduates of an accredited college or university, and women from the Daly City area who would like to join can do so at this meeting.

Honeywell is a resident of Colma and an honor graduate of Daly City's Jefferson High School. His brother, Jim, attended Stanford two years, then was appointed to the U. S. Naval Academy at Annapolis.

DADS DESCRIBE DINNER AS 'ONE OF BEST EVER'

The annual Father and Daughter dinner held by Girl Scout Troop 81 of Broadmoor was described as "one of the best ever" by the dads who attended. The affair was held at the Broadmoor Community Center last week.

The menu was made up by the girls and included tamale pie, various salads, garlic bread, pie and ice cream, and coffee or milk.

Prizes were awarded to the winners of games and the whole group joined in a community sing.

Pacifica Has Contest For One-Act Play

Any resident of Pacifica, who has time on his hands, can win a \$25 savings bond by submitting by April 1 an original, unpublished, one-act play in a contest sponsored by the Pacifica Park, Beach, and Recreation Commission.

The winning author, who will be announced April 15, will have the privilege of seeing his play presented by the Pacifica Players. He will retain the rights to the script after the production.

Manuscripts should be in triplicate, typewritten, double-spaced and should be submitted to Mrs. Margaret Moseley, P. O. Box 185, Sharp Park. The author's name, address, and phone number should be on a separate page. All varieties of stories are acceptable but should have simple plots.

Interested authors are invited to visit the Pacifica Players at any meeting on Wednesday nights at 8 p.m. at Linda Mar School.

Court St. Mary Slates Whist, Poetry Contest

Court St. Mary, Catholic Daughters of America, will have their last whist game for the current term this Friday evening at 8:30 in Masonic Hall, 17 Hillcrest drive, Daly City.

Miss Eloise Sauer is chairman for the evening and heads a committee of women whose surnames begin with the letters S thru Z. The usual first prize of \$5 will be awarded in addition to many other prizes. The public is invited to attend.

This year again, Court St. Mary is sponsoring a creative poetry contest and hopes to broaden the scope to include two additional high schools. Mrs. Carl Rolland is chairman of the poetry contest and has chosen Mrs. Carol Dikas and Mrs. Irene Collins for her committee to help in selecting the best poems submitted. Last year Miss Helen Vargas of Mercy High School, whose poem was selected by the committee, won first prize in the State Poetry Contest and second prize in national competition.

Catholic Women Seek Discards For Rummage

By Leonore Cresalia
Are the walls of your home bursting at the seams. If so, now is a good chance to put things in order by disposing of all excess articles. The Westlake Catholic Women are now collecting unwanted but still usable discards for their annual rummage sale to aid the school building fund of Our Lady of Mercy parish.

They would be most appreciative of your "not needed" things, such as children's clothes or toys, men's clothing, (that suit will never fit again) ladies' apparel and jewelry, household appliances and furniture, trousseau, and also records and books.

If you have anything that you feel could be used, it may be left in the parish hall of Our Lady of Mercy Church, 1 Elnwood drive, Daly City, on Sunday through Wednesday starting now until March 15. If you cannot bring in the rummage, please contact some friend or relative in the parish and they will see that the things are picked up for you. The sale will be held on Monday, March 23, in Larkin Hall, and there will also be a pre-sale on March 21 in the parish hall.

Doelger Asks City To Rename Lynnewood Drive In Westlake

Builder Henry Doelger wants the city council to change the name of Lynnewood drive in Westlake to Lake Merced boulevard.

This was his request through Attorney Thomas Gallen in a letter last week. Gallen said the builder feels Lynnewood, which lies south of Alameda, is a natural continuation of Lake Merced boulevard north of Alameda.

Doelger thinks renaming Lynnewood to Lake Merced boulevard will give the street more prestige and prevent the confusion which he says exists in the minds of newcomers to Westlake.

The council ordered a study to see how the change would affect many departments, particularly the post office.

Cancer Society Leader Joins State Committee

The appointment of Mrs. Albert A. Hedge, president of the San Mateo county Cancer Society, to the state Committee to Encourage Selection, Performance, and Publication of Music of Merit by Western Composers was confirmed here today.

Mrs. Hedge's appointment was made by Governor Brown, following the creation of the special committee by the legislature late in 1958.

Well-known for her activities in this county, and nationally in the field of literature and music, Mrs. Hedge is now in her third year as local Cancer Society president. She is concluding her second year as president of the south San Mateo County Council of Republican Women.

A composer of note, Mrs. Hedge, who professionally uses the name of Grace Boles Hedge, has published numerous songs and musicals. She is best known throughout the west for her costume music programs.

One of her most important responsibilities, Mrs. Hedge emphasizes, is the job of serving as county president of the Cancer Society. "To me working with the Cancer Society means almost more than I can express, because the efforts of the society are directed toward the health, happiness and good life of our fellow man."

Mrs. Hedge lost a son in his early twenties to cancer, hence her unswerving devotion to

"I have found in the years I have been with the society, that I have met the finest men and women who work hard to serve a wonderful cause," she said.

Donald Gunn Of DC Wins Scholarship

Donald W. Gunn, son of Mr. and Mrs. W. A. Gunn, 27 Ocean Grove avenue, Daly City, has been awarded the annual scholarship of the American Society of Tool Engineers, Los Angeles Chapter 27.

The scholarship, which is competitive, was presented to Gunn at a meeting of the Society in Los Angeles last week.

He was accompanied to Los Angeles for the occasion by Francis Whiting, head of the machine shop department at California State Polytechnic College, San Luis Obispo. Gunn is an industrial engineering major at Cal Poly. He is a graduate of Oakland High School and attended College of Marin before entering Cal Poly.

Marian Council To Host Feed At OLPH Hall

On Wednesday evening, February 25, beginning at 6:30 p. m., Marian Council Knights of Columbus will hold a Crab Cioppino dinner at Our Lady of Perpetual Help school hall, 80 Wellington avenue, Daly City.

Proceeds will go to the Council's Youth Benefit Fund which supports various youth activities.

Cost of the dinner is \$1.25 for adults and 50 cents for children.

The dinner is being supplied through the combined efforts and generosity of the United Shell Fish Company and Castagnola's restaurant. Brothers Joseph and Vincent Svedie and Anthony Ferrari are making this dinner possible. The crab cioppino will be prepared at Castagnola's and transported to Our Lady of Perpetual Help school hall. Serving will begin at 6:30 p.m.

Entertainment, beginning at 8 p.m., will feature the Shipley and Smith Dance Studio.

Snell PTA To Have 'Bike School' Soon

James L. Snell PTA, which serves the children of Garden Village School in Broadmoor, is making plans this week for a new project to afford pleasure to both children and adults.

Plans are being formulated for the presentation of a "bike school," which will direct youngsters along the lines of safe usage of their wheeled vehicles thereby providing the satisfaction of skill to the children and peace of mind to their parents.

The "school" has been tentatively planned for Saturday, Feb. 28, from 10 a.m. until 2 p.m. at Garden Village School. The project is under the direction of Snell's juvenile protection and safety chairman, Broadmoor Chief-of-Police Ray Savage.

ALL-AROUND AWARDS

Mark Clark Tops 39 Recipients Of Block F's At Ben Franklin

Benjamin Franklin School presented its first block awards at an awards assembly last week.

Fred Schweikhardt and Harry Aronson, principal and vice-principal, presented the green "F" to 39 students seated on the stage. This was a momentous occasion as it marked the first time that the school has presented an award which recognizes those students who are outstanding. These students are outstanding because they needed to accumulate 100 points in at least three separate areas. For example, in order for a student to be eligible, he had to be a good student, a good athlete, a good student leader, and, of course, a good citizen.

Block "F's" were awarded to Roger Axt, Spencer Bader, Steven Cabrol, Linda Cardwell, Mark Clark, Bob Ellis, Marilyn Downey, David Fletcher, Jim Fotenos, Brian Gardner, Kenneth Gates, Steven Gratch, Vicki Guz, Frank Hambrick, Walter Haub, Jim Henderson, Paula Hershsberg, Mike Hunter, Ann Irby, Ricky Katz, Laurel Kimbrell, Carol Kirchman, Marc Mallinger, Alexis Malone, Karen Manning, Richard Merritt, Leslie Mertens, David Mahoney, Bill Morgan, David Nelson, Linda Peterson, Ricky Shields, Leonard Smith, Ricky

Spector, Tony Thomas, John Travinsky, Marilyn Wagner, Gordon Wittington, and Richard Williams.

Green Star Awards were also presented to those who had amassed an additional 100 points in three separate areas—over and beyond those accumulated for the Block "F".

First Green Star Awards presented to Mark Clark, Brian Gardner, Steven Gratch, Walter Haub, Jim Henderson, Mike Hunter, Tony Shields, and Ricky Spector.

Mark Clark, who by surprising everybody, displayed his versatility by accumulating 300 points and earned his second Green Star in order to become the first student at Ben Franklin to ever receive a second Green Star. This was indeed a highly remarkable accomplishment.

4 Girl Scouts Chosen Here For Round-Up

The Girl Scout round-up selection committee has chosen four senior Girl Scouts from the Daly City-Colma area to represent the North San Mateo Council at the gigantic encampment on July 3-12 at Colorado Springs.

The girls selected are: Frances Robinson, 15, a junior at South San Francisco High and a Marine Scout in Mrs. Margaret Damon's Ship 13; Carol Duke, 15, a sophomore at Mercy High School; Barbara Goldaday, 15, and Ann Mori, 16, both of Westmoor High and members of Troop 23 under the leadership of Mrs. Ruth Flint.

In order to be selected, the girls had to meet certain qualifications that included: active registration as a Senior Scout, an age of 14, completion of the five-point program with at least a year's experience in Senior Scouting. They must have excellent health, must have participated in the special Pre-Round-Up camping experience, and demonstrated skills and knowledge.

Personal expenses of \$90 for each girl, plus a \$75 transportation fee will be met by supporting a "Car-Wash" between March 14 and 21.

Hog Rancher Charged With Drunk Driving

Julius J. Martinelli, 59, hog rancher of 176 Railroad avenue, was arrested for drunk driving Tuesday night last week at the Lake Merced-Alemany intersection after he rammed his car into another vehicle which was stopped for the red light.

Officers Jim Bergstrom and James Sunderland said Martinelli flunked both roadside and hospital sobriety tests.

Driver of the rammed vehicle was Patricia A. Barone, housewife of 43 Montrose avenue.

South SF District Opens Accounting Class For Adults

The Adult Education Department of South San Francisco Unified School District announces a course in Principles of Accounting to be held on Thursday evenings, 7 to 10 p.m. in Room D-3, starting February 19 and ending in May.

The course will cover the principles of accounting and is designed primarily for bookkeepers who wish a more thorough knowledge of their bookkeeping and accounting and for anyone interested in studying or reviewing the accounting principles. Alfred Zubler will be the instructor.

New Law Gives Service Vets More Benefits

There probably are many veterans in this area, on Veterans Administration pensions, who have never filed for Social Security disability payments but now may be entitled to them, according to San Mateo County Veterans' Service Officer Floyd Granger.

The recent change in law also enables certain veterans to rescind their waiver of VA pension in favor of VA compensation.

in order to avoid deduction from their Social Security disability payments.

The law now allows payment of both Social Security and VA pension. In some cases, the pension which a veteran refused was actually larger than the compensation for which he was rated—but he had to let it go in order to retain his eligibility for Social Security.

Granger said his office in Redwood City will be glad to assist such veterans in notifying the Veterans Administration of their desire to rescind their pension waiver in order to draw larger benefits under the new law.

WAR MEMORIAL BLDG.

Architect Roger Lee To Speak Tuesday In YWCA 'Home' Series

"Planning and Building Your Own Home" will be discussed by Roger Lee, Bay Area architect, at the YWCA "You and Your Home" series on Tuesday evening, February 24.

The series is being held each Tuesday night at 8 p.m. at War Memorial Building, Mission and Alameda streets, Daly City. The lectures are open to the public.

An accomplished young architect, Lee was recently cited as one of the outstanding American architects for his valued contribution to contemporary architecture through his personal vision. Lee, at 39 years, is one of the youngest archi-

itects to be honored in this way. A graduate of the University of California at Berkeley, Lee's distinctively designed homes, both small and large, dot Bay Area hills. Sunset Magazine awarded Lee its "First Honor Award for Homes for Better Living."

On March 3, the "You and Your Home" series will feature Whitney Mason, president of the California Council of Landscape Architects who will speak on "Landscape Your Home."

Admission for the lectures in this series is 25 cents for YWCA members and husbands of members and 50 cents for non-members.

Further information about the series may be had by calling the YWCA local office, PL 6-7370.

Cavagnaros Feted On 40th Anniversary

Mr. and Mrs. Edmund Cavagnaro of 428 Irvington street, Daly City, celebrated their 40th wedding anniversary Sunday evening with a dinner at Treasure Island officers' club.

Ed, member of the city parks and recreation commission, is a long-time resident of Daly City. He and his wife, the former Lillie Cruchoff, moved here after the 1906 San Francisco earthquake.

The dinner Sunday, given by their children, Mr. and Mrs. Walter Cavagnaro and Mr. and Mrs. Robert Wright, was topped by a huge wedding cake, served to the musical accompaniment of the "Anniversary Waltz."

Guests at the fete were Mr. and Mrs. George Wright, Mr. and Mrs. A. J. Linden, Mr. and Mrs. Frank Devlin, Mr. and Mrs. Enrico Varni, and Mr. and Mrs. Amedeo Firpo.

Seacliff Church Hosts 47 At Banquet Here

Seacliff Church was the host to 47 Bay Area couples at Swanson's Westlake Bowl for a "Sweetheart Banquet" Friday evening.

The Evangelical United Brethren Men of Oakland brought special musical numbers as well as soloists from Westlake and Santa Clara.

Bishop W. Maynard Sparks was the special speaker. "You Can't Beat Fun" was the thought he developed, pointing up the abundant life of the Christian individual as it incorporates the vital elements of wonder, work, and worship. Bishop Sparks mentioned his first glimpse of the Pacific ocean from the Seacliff church site at 50 Northridge drive.

Seacliff members will be joining others of the Northern California Churches this Friday evening at a Bible Conference at Mission Springs conference grounds near Santa Cruz. The week-end conference will feature Bishop Sparks, Bishop Emeritus Ira D. Warner, Conference Supt. North, Dr. P. E. Miller, Dr. O. E. Schaffer, and Conference Supt. South. Christian doctrine and the sacraments will be the theme drawn from the Scriptures.

Thirteen Seacliff youth participated in the 72nd annual Christian Endeavor convention of the Golden Gate Union held at the Ocean Avenue Presbyterian Church in San Francisco. Several made important decisions.

Response Good For Benefit Church Dinner

Reservations are pouring in for the Tuesday dinner to be given by the Women's Association of Broadmoor Presbyterian Church next Thursday, according to Mrs. Norma Buell, publicity chairman.

The dinner is to help finance new folding chairs for the church to replace the old wooden pews, and it will be held in the social hall at three different hours—5 to 6, 6 to 7, and 7 to 8.

Reservations cannot be accepted by Mrs. Mary Lichtenberg at PL 5-3174 any later than next Monday. The price is \$1.50 for adults and 75 cents for children under 12.

'Great Decisions' Meetings Weekly At Westmoor Hi

The next seven meetings of the "Great Decisions" discussion group, under sponsorship of the Friends of the Daly City Library, will continue to be held in the library of Westmoor High School, according to Mrs. Grace Woods, chairman of the group.

The meetings are scheduled for every Tuesday night, from February 17 to March 31, at 8 o'clock. Stanley Wilson is the discussion leader.

Pointing out that each "Great Decisions" session is complete in itself, Mrs. Woods states that it is not too late to join this stimulating discussion group. There is no attendance fee, and discussion outlines and background material are available, if desired. For further information, interested persons may telephone to Mrs. Woods, PL 5-6893.

Veterans Urged To Be Prompt On GI Loans

Despite what some veterans may believe, there is no grace period for the late payment of installments on GI loans, J. Glenn Corbett, manager of the VA office in San Francisco, said today.

Thus, he added, veterans should make their GI loan payments on or before the date they are due.

Failure to do so may prove costly, he pointed out, since GI lenders may make an extra service charge when payments are received late.

Corbett warned that veterans who gain the reputation of being "chronic delinquents" will find their lenders taking that fact into account if the veterans should ever need an extension of repayment time on their GI loans.

In addition to their loss of credit standing, veterans who become delinquent in their payments may ultimately be faced with the loss of the property acquired with their GI loans, Corbett said.

OFFICIAL designation of "Heart Month" here is linked by Mayor Michael DeBernardi as Dr. Martin Kohn (left) and Richard R. Liberty, both members of the San Mateo County Heart Association drive committee, look on. Liberty, clerk of the municipal court in South San Francisco, is on the publicity committee for the February campaign.

Make Sure Your Tax Statements Are Readable

The plight of 3500 taxpayers in the San Francisco District is a red light for all taxpayers to sign their full names and addresses on their 1958 Federal income tax returns so they can be read easily.

The 3500 taxpayers still have a refund due them from last year's payment, but, according to District Director Joseph M. Cullen of San Francisco, they can't be found.

The checks were mailed out

earlier this year, but bounced back to Internal Revenue because addresses were incomplete or incorrect.

Sometimes the taxpayers put down the wrong address on original returns. Other times, the checks were improperly addressed at the District Office, Cullen said.

But in all cases, he added, the Internal Revenue Service is anxious to make "restitution." Each refund check represents a tax overpayment. Uncle Sam wants to make good.

Cullen said double-checking the legibility of returns is so simple that he urges each taxpayer to take the time to do so.

The checks were mailed out

Lutheran Women To See Film On Alaska Church

Featured at the February 24 meeting of Westlake Lutheran Women will be the film strip "Mukluks," the story of Our Savior's Lutheran Church in Nome, Alaska.

The construction of this church, parish hall and parsonage has been a project of Women's Missionary Federation members throughout the Evangelical Lutheran Church the past two years. Membership of this congregation is largely composed of migrants from native Eskimo villages where the ELC has been conducting mission work for many years. Mrs. Flecher Vinson, local Home Mission Secretary, is in charge of this presentation.

"A Letter From Paul," a skit about the Ephesian letter, will be presented under the direction of Mrs. Roe Ross as part of the Bible study. Those participating in the skit are the Mesdames: Curtis Rehn, Herbert Kraling, James LaChance, Angel Madero, John Gianopoulos, Kenneth Berven, and Charles Christian.

Mrs. John Gianopoulos, president, invites all interested women to be present at this meeting at 8 p.m., February 24, Westlake Lutheran Church, 222 Avalon drive. Mrs. James LaChance will be hostess for the evening.

USF Invites Laymen To Theology Class

As part of the observance of the Holy Season of Lent at University of San Francisco, a series of lectures concerning the Catholic faith will be given each Thursday evening at 7:45 p.m. in the Sodality Room of St. Ignace High School, Turk and Stanyan streets. Both Catholics and non-Catholics are invited to attend.

The informal theology course will be taught by Rev. Eugene R. Zimmers, S. J., assistant professor of philosophy at USF.

In announcing the course, Father Zimmers said that it will cover not only an intellectual discussion of the tenets of Catholicism but its practices as well. Slides will be used in lectures concerning the Mass and vestments.

Participants in the course for which no college credit is given and for which no fee is charged will be encouraged to ask questions concerning Catholicism.

For further information, telephone Father Zimmers, SK 2-1000, or address him at University of San Francisco, San Francisco 17.

Santa Clara Sets Math Contest For High School Seniors

The mathematics department of University of Santa Clara will hold a competitive three-hour contest for high school seniors this Saturday, from 9 a.m. to noon in room 108, Kenna Hall. The examination will consist of non-routine problems designed to test understanding and reasoning ability rather than ability to memorize facts.

One or more prizes will be awarded to the best contestants. An excellent showing on this examination by a student in need of scholarship assistance will qualify him for a scholarship at University of Santa Clara. The mathematics department of the university will also be happy to recommend a deserving contestant for admission to a scholarship to the university of his choice.

Further information may be obtained from the mathematics department, The University of Santa Clara, AX 6-3360, extension 34.

FAMILY NIGHT SET BY OLPH SCOUT TROOP

Boy Scout Troop 243 will hold its annual Family Night dinner at Our Lady of Perpetual Help hall on Saturday, February 28, starting at 6:30 p.m.

The new charter will be presented at this affair by leaders from the Lake Merced District, Boy Scouts of America.

Awards will also be made to the boys for their achievements during the past year.

A crowd of at least 200 is expected to attend, according to John Mahoney, institutional representative.

SJ State Extension Courses At Four SM County Schools

Five San Jose State College extension courses in art, education, health and hygiene and science education will begin this week in San Mateo County schools.

All classes meet from 7 to 10 p.m. weekly and provide credit toward college degrees and teacher advancement. Fees are \$8.50 per unit. Instructors are drawn from the college faculty.

Students should register for the course of their choice at the first class meeting. Others wanting to investigate the studies are invited to attend the first meetings without charge.

The courses will be offered at Goodwin School, Redwood City; Mae Nesbitt School, Belmont; Hillsdale High School, San Mateo; and Ralston School, Belmont.

For information on class schedules call the college, CY 4-6414, extension 275.

Mrs. Charles W. King has been appointed chairman of the Amateur Floriculture Division for the 1959 Silver Anniversary San Mateo County Fair and Floral Fiesta (July 31 through August 8), William M. Wilson, manager, announced today.

Mrs. King, who lives on Notre Dame avenue in Belmont, has always been interested in gardening and gardening projects beginning as a member of the Monterey 4-H Club with a vegetable garden project.

Always active in garden club circles, Mrs. King has served as chairman of the Belmont Newcomers Garden Section, was president of the Belle Monti Garden Club when it was first established in 1957, and co-chairman of the Amateur Floriculture Division, San Mateo County and Floral Fiesta in 1958.

Greater Mission Legion Auxiliary Fetes 'Americanism'

Greater Mission Unit 347, American Legion Auxiliary, will present an Americanism program jointly with Golden Gate Unit 40, Sportsmen Unit 99, and Marina Unit 348. The program will be held in room 311, Veteran's building, Van Ness and McAllister streets, on Thursday, February 19, at 8:30 p.m.

Marina Unit 348 will present the flag to a Girl Scout Group, and representing the Boy Scouts of America will be Gilbert Benedict, one of the guest speakers. Eula Jacobsen, 8th District President, American Legion Auxiliary, will be present on her official visit. The 8th District Junior Drill Team will also participate. Patricia Fawcett, Americanism chairman, and chairman of the evening, will be assisted by Marie Pennington and Audrey Wood.

Free Badminton Classes, Table Tennis Popular

Birds are flying fast and furiously in the War Memorial Community Center every Thursday and Friday night in the city-sponsored badminton program.

Members of the adult group meet on Thursday nights. Mr. and Mrs. Walter Hunter have been on hand the past two weeks to give the more advanced players some good competition and the beginners valuable instruction.

On Friday nights, the teenagers swarm into the gym to take part in the program. Many of the players had never played badminton before this program was started. They now have learned what fun the game can be when played the right way. Midge Pierce arranges the matches to give players a chance to play with those of equal ability as well as with more advanced players.

Bobo Johanson and John Herman were really put on the move when Mrs. Hunter attacked from the other side of the net. The boys play a very aggressive brand of badminton, but they learned the hard way that placement of shots is very important.

Table tennis rates high with the teenagers. Thursday nights the Department of Parks and Recreation has set aside the Coral Room for teenage table tennis.

Pythian Sisters Set Initiation

Haven Temple No. 9, Pythian Sisters, will stage an initiation ceremony this Friday at Odd Fellows Hall, starting at 8 p.m.

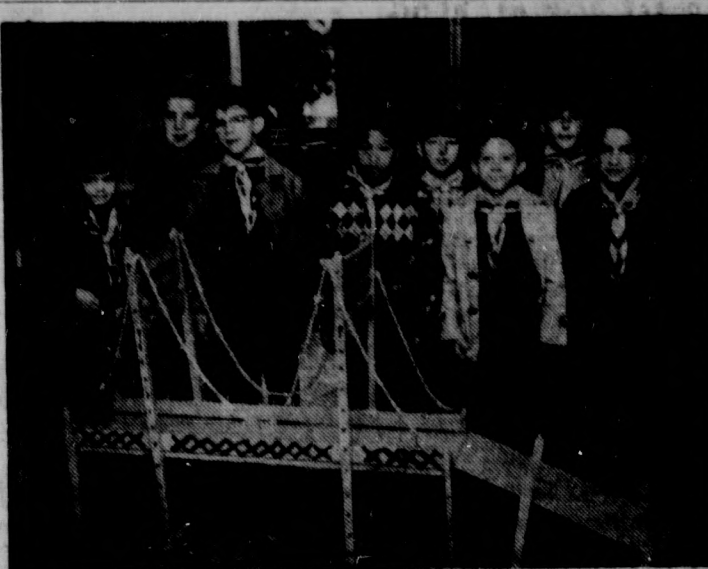

Most Excellent Chief Laura Goverly urges all members to be present.

State Approves \$300,000 Loan For Small Boat Harbor In SSF

Legislation co-authored by Assemblyman Louis Francis of San Mateo has been passed by the state assembly, authorizing a \$300,000 state loan for the construction of a 300-berth small craft harbor in South San Francisco.

The omnibus measure also authorizes a \$300,000 state loan for the Redwood City small

boat harbor. Additional sums were allowed for other small boat harbor projects throughout the state.

The legislative action culminates two years' work by South San Francisco Councilman Emilio Cortesi and Francis. Cortesi originally contacted Francis at the state capitol during the 1957 general session for special help in promoting the construction of the proposed South San Francisco small boat harbor.

A leader of statewide small boat harbor development, Francis paved the way for the necessary legislation for the local loan. As chairman of a special Subcommittee on Marine Affairs, he held a hearing in South San Francisco at the request of Cortesi last August to study small boat harbor procedures for state loans and the \$60 million Proposition 4 on the November general election ballot for statewide harbor development.

Prominent witnesses, including N. G. Stevens, director of the State Small Craft Harbor Commission, local public officials, and representatives of interested groups, testified in support of the legislation at the hearing. Shortly thereafter, the cities of South San Francisco and Redwood City made their applications for the \$300,000 construction loans which were expedited by the committee's support.

Two years ago, Chairman Francis held a hearing in San Mateo to study the needs of small boat harbor development in San Mateo County. His committee heard testimony of local officials and representatives advocating the construction or development of small boat harbors in South San Francisco, San Mateo, Belmont, Redwood City and Pillar Point. As a result, these harbors were recommended to be included in the state small craft harbor master plan in the interim committee's report.

Money for self-liquidating fund of \$10 million for statewide small boat harbor development was made available to the cities and counties with the passage of Proposition 4 in November. The other \$50 million is to be used for the necessary modernization of the state-owned San Francisco Port.

Receptionist At Jeff High Resigns

The resignation of Mrs. Suzen Fletcher, Jefferson High School receptionist, was regrettably accepted by the trustees last week.

Mrs. Fletcher's doctor advised her to resign for health reasons.

NAMED to represent the Daly-Colma area at the Girl Scout Senior Roundup this summer in Colorado are (left to right): Carol Duke, 15, Marcy High sophomore; Barbara Golladay, 15, and Anne Mori, 16, both of Westmoor High.

ELECTRICAL TEAM — Planning observance of National Electrical Week are members of The Electrical Industry Fund of San Mateo County, a joint contractor-union committee. From left are: W. H. Diederichsen, Electrical Workers Union 617, secretary; James S. Torney, county school superintendent, public member; E. M. Canete, R. C. Electric Co., Inc., Redwood City, chairman; Everett Marshall, Marshall Electric Co., San Carlos, retiring chairman from the Electrical Contractors Association; William J. Varley, contractors' executive secretary; and Jack Van Winkle, union representative. Members not present were: Frank Bourret, local union president, and Carl Hilpisch, Belmont Electric Co., non-association contractor member. The committee called attention to National Electrical Week as a reminder to "homeowners, merchants and industrial managers" to have their electric wiring checked for safety, adequacy and convenience.

Jeff's Roy Reitz Hits 36 For Peninsula Record

WESTMOOR GAME NEXT

Southpaw Forward Sets New Mark But Indians Lose To San Mateo

Fifth place will be at stake this Friday night when southpaw sensation Roy Reitz and his Jeff High varsity cage mates invade Westmoor gym to battle Tony Giammona's Westmoor Rams. Action begins at 7:30 p.m.

Both Daly City teams are 3-8 in the win-loss books. Jeff won the first game between the two schools this season on the Indian court by the margin of two points.

Reitz, number two in league scoring behind Cap's Kit Ruona, established a loop record Wednesday last week by slamming 36 points through the nets as Jeff went down to San Mateo, 58-56. Last Friday night the bespectacled deadeye tallied 17 against first-place Capuchino. The Tribe was waxed in this right affair, 55-37, as Ruona continued his torrid pace with 20 points. Guard Jack Horn ranked 12 points against Cap—but Jeff was never in the ball game.

If it hadn't been for Reitz' herculean effort against San Mateo, the Bearcats would have won in a walk. Roy has done everything but coach the Jeff varsity this campaign.

The Indians, crippled by the loss of forward Ernie Howren (knee injury) have had to depend on the tireless Reitz the past two weeks. Horn however has been doing pretty well. Beyond this pair, Coach Mike Willis hasn't got much to count on.

Reitz' 36 point spurge placed him third in the all-time Peninsula prep scoring. In the old Peninsula League, running from Daly City to San Jose, Charles Bogle of Burlingame hit 40 points in one game in 1953, and Jim Loscutt, now with the Boston Celtics, scored 37 points in one tilt for Palo Alto in 1947. Loss of Howren two weeks ago ruined Orlich's hopes of salvaging a respectable record. This is the veteran mentor's worst campaign since he took over the Jeff reins back in the late 1940's.

Orlich, however, is looking up. Rick Warren's Jeff 30's, who have blazed to third place in league standings, are worth watching as future varsity greats.

The Jeff lightweights last week ran their mark to 7-4 by beating San Mateo, 56-49, and Capuchino, 48-31. Gary Molossi, Tony DiVirgilio and Mike Willis did the bulk of the scoring.

BALTIMORE'S BONUS BABY PLAYS HERE

Frank Zupo, \$50,000 bonus baby of the American League's Baltimore Orioles, caught three innings for the Sarto AC Juniors here when the locals played the Machinists at Marchbanks Park.

An All-City San Francisco prep star, Frank's jump to the majors was accelerated by Daly City's Joe Sarto, sponsor of many sandlot teams. Frank played several seasons for Sarto clubs.

Frank's brother, Mike, is a regular on the Sarto Juniors roster.

PAL Yankees Need Players; Await League

Coach Roger Kueich today said there still are openings in his PAL Yankee baseball team, which will open play in the Parkside Midget League on March 7.

Eligible for team tryouts this Saturday, 1 p.m., at Marchbanks Park here are all local boys who will not have reached their 12th birthdays by March 1.

For additional information on the Yankees and other Daly City PAL teams, call Officer Les Bastedo, PAL baseball director, PL 5-0850.

Baseball Tops Dad-Son Night At OLM Parish

Westlake Catholic Men will stage a father and son "baseball night" this Friday evening at Our Lady of Mercy parish hall, starting at 7:30 o'clock.

First feature of the program will be presentation of trophies to the OLM boys basketball team, champions of a city league.

Two members of the San Francisco Giants official family, head scout Eddie Mantague and park manager Jerry Donovan, will be co-masters of ceremonies. They will narrate movies of the 1958 World Series.

Montague and Donovan then will be joined by other Giants personalities, including pitcher Stu Miller, for a panel discussion on baseball in general and the SF club in particular. Questions from the audience will be welcomed.

Youngsters holding lucky tickets in the door prize drawing will be given a dozen baseballs, personally inked by the entire Giants team.

Prep Radio Show Hosts Two Top Peninsula Cagers

Capuchino's Kit Ruona and Burlingame's Craig Murray, two strong candidates for Peninsula League "Player of the Year" honors, visit Warren Wynkoop on his KIBE radio show Prep Sport Scoop, Saturday at 11 a.m.

Ruona leads the league in scoring and Murray has been called the finest player on the Peninsula by a prominent basketball official.

These two brilliant stars meet each other Friday when Capuchino hosts Burlingame in San Bruno. The interview following the crucial contest should prove highly interesting to prep basketball followers, for they will get the game views from both winner and loser.

LIGHTWEIGHTS HOG SPOTLIGHT AS RAMS, INDIANS CLASH HERE

The 130-pounders will take the spotlight this Friday night when Westmoor and Jefferson resume their crosstown basketball rivalry in a doubleheader at Westmoor gym, starting at 7:30 p.m.

Jeff's lightweights (7-4) hold third place in Peninsula League standings and the Ram 30's are close behind (6-5) and finishing the campaign with a big spurt.

The varsity squads of both DC schools are both 3-8 in league standings entering this Friday's clash. Jeff won the first meeting of the two town rivals by the margin of one field goal.

Coach Tony Giammona's Ram varsity last week scuttled South City, 51-24, then lost to Hillsdale, 51-34. Byron Van Alstyne's Ram 30's clouted South City, 53-44, and measured Hillsdale, 36-34.

BOOMING BUSINESS

Swanson's Bowl To Add 20 Lanes; Will Be Northern Cal's Biggest

Plans have been finalized for adding 20 lanes to Swanson's Westlake Bowl — making it the largest bowling plant in Northern California with a total of 52 lanes for round-the-clock play.

Jim Greulich, manager of the bustling kegling palace, said final plans for the extension are in the hands of Doelger officials and soon will be presented to the city planning commission. He estimates the work will be finished in about three months.

The Bowl presently keeps its 32 lanes (16 back to back) busy at all hours accommodating an estimated 7000 to 10,000 patrons a week in league and open play.

Fair, DeBernardi Pace OLPH Five In Title Win

Paced by Jim Fair and Mike DeBernardi, Our Lady of Perpetual Help's cagers captured the city-sponsored Eighth Grade Basketball League title Saturday by decisioning PAL, 26-25.

The PAL five led until the fourth quarter when OLPH erupted for nine points. Fair was high with 12 points and DeBernardi had 11.

In another eighth grade tangle, Our Lady of Mercy defeated Holy Angels, 34-19. Fraher and Desmond led the victory with 10 points apiece. Locke of OLM was next with 8.

YWCA To Offer Golf Classes

Golf instruction will be offered by the YWCA beginning March 3.

Instruction will be given on Tuesday afternoons at the Colma Golf Range, 3405 Junipero Serra boulevard, by Larry Montes, golf professional. Instruction will include fundamentals of grip, stance, and swing. Evening classes can be arranged if enough people are interested.

Golf classes are also being planned for the Winston Manor range, 1650 El Camino Real, South San Francisco.

Women interested in registering for golf classes may obtain additional information by calling the YWCA local office, PL 6-7370. Advance registration for the classes will be required.

VINCENT, WATSO ATTEND STATE REC CONFERENCE

Two Daly City representatives are attending the four-day, 11th annual California State Recreation Conference, which ends this Wednesday at Santa Monica.

Charles Vincent, city recreation supervisor, and SF State College student Rich Watso, part-time DC recreation leader, are at the conference which features in-service training on supervision and leadership. Watso went at his own expense.

Gordon Kenny was the evening's hottest kegler. He had a 243 high game and 646 high series for Sanders Realty.

5 DC PREPS CONSIDERED FOR CLASSIC

Five Daly City high school players have been nominated to play in the fifth annual 20-30 East-West prep football classic this summer at San Francisco's Kezar stadium.

Being considered for the West roster are Jefferson High's Pete Garcia, John Dean and Jerry Kennedy, and Westmoor High's Bob Roller and Paul Gioni.

All but Kennedy made the All-Peninsula League first team last fall. Garcia and Roller are heavy-duty half-backs and Dean and Gioni are line standouts at guard. Kennedy is a linebacker and has played center and quarterback.

The list of West team nominees is long and final decision on the squad should be made within the next two weeks.

Coaching the West preps will be Milt Axt of SF Poly High and Joe Marvin of Sequoia High in Redwood City.

PENINSULA FINALS

Jeff's Jim Ahern, Ram Jacobsen Win Wrestling Crowns

Senior Jim Ahern of Jefferson and junior Len Jacobsen of Westmoor captured Peninsula League individual wrestling titles Saturday in the championship meet at San Mateo.

San Mateo High, unbeaten in dual meet competition, won the team title with 104 points. Capuchino was next with 70, South City had 57, Jefferson was fourth with 37 and Westmoor accumulated 31.

Ahern, entering the 154-pound division finals with a 9-3 record, whipped three opponents Saturday to take the title. Jacobsen polished off three rivals Saturday to grab the 138-pound crown.

Sven Holm of San Mateo defeated Jeff's Bob Nielson, sporting the best record in the league, to win the 175-pound title. Nielson, who had lost only once all season, took two of three bouts Saturday.

Ahern, Nielson and Jacobsen this Saturday will join last

week's division winners and runners-up in the north coast section wrestling finals across the bay in Hayward.

Coach Joe McGrath's Jeff squad, finishing with a 6-6 dual meet record, did extremely well this season, considering it was the school's first wrestling team.

Westmoor, under Will Stensland, also performed creditably, led by Jacobsen, 103-pounder Glenn Stenstrom, 191-pounder Rich Landi and 165-pounder Bob Porras.

Jim Drake, Jeff 165-pounder won two of three matches Saturday to take third in the finals.

Other Jeff entries and their results last week: Ron Young, 103 pounds, lost two matches; Sam Ayala, 120, lost two of three; Leo Sineath, 127, lost two; Bob Kaspar, 133, lost two of three; Ralph Orquita, 138, lost two; Larry Day, 145, lost two; Tom Coop, heavyweight won two and lost two.

FUNDS STILL PROBLEM

PAL 'Feed' Treats Its Coaches; Directors Meet This Thursday

Daly City's Police Athletic League treated its coaches to a spaghetti and turkey dinner recently at Westlake Improvement Association clubhouse.

The affair, arranged by Bud Sherwood and "chef" Les Bastedo, was held to raise funds to buy jackets for PAL coaches.

PAL at present has a membership of about 400 boys, according to President John Coleman. The organization sponsors teams in baseball, basketball, boxing and football. Memberships are only 10 cents per boy—the price of a PAL card.

PAL board of directors will meet this Thursday night, February 19, at War Memorial community center, Mission and Alps streets. The session, starting at 7:30 p.m., will include reports on PAL insurance, quest for a PAL clubhouse site, and a preview of 1959 activities.

Coleman says the unit's biggest needs now are funds and more adult volunteers to supervise the various teams. Call him at PL 5-6075 or PL 5-0850 if you'd like to give PAL a hand.

Daly City Boys Make TV Debut

The Daly City Blue Jacks, a combo of six boys, performed Sunday on Channel Two's talent show.

The boys, all from Daly City and students at Jefferson High, are Dennis Cardinale, who plays the bass fiddle and is also the leader; Jerry Morgan, drums; Jim Lofrano, first sax; Bernie Reveria, second sax; Dan Whitney, first guitar, and Dave Hehnis, second guitar.
